RESPECTED FRIEND:

This is to inform you that **GEORGE THOMPSON** will arrive in this city next Tuesday, and that in compliance with an invitation from friends in Chester county, he will deliver an anti-slavery address in the Horticultural Hall in West Chester on Wednesday, the 4th of June, at 2 o'clock, P. M. He may possibly be induced to deliver another address the next forenoon, but we are authorized to make no announcement to this effect. On Friday afternoon he will probably speak at Norristown, and on Saturday he leaves the State on his way back to Boston.

As the most convenient way of paying the expenses of the occasion, and at the same time of securing immunity from too great a crowd, a charge will be made at the door of 12½ or 25 cents for admission.*

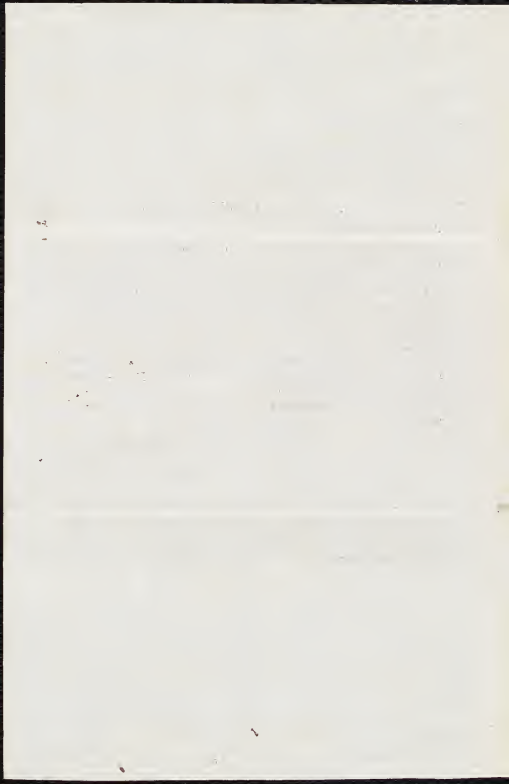

Please circulate the intelligence of Mr. Thompson's meeting among your acquaintances,

On behalf of the committee,

J. M. McKIM,

Cor. Sec'y of the Pa. A. S. Society.

* Persons who may feel disposed to give something more than the admission fee, as a testimony to their appreciation of the value and self-sacrifice of Mr. Thompson's services, can do so by handing what they may have to contribute, to Simon Barnard, who will be found in the vestibule of the Hall before and after the Lecture.

Dear Friend:

Having an opportunity, - without postage, I send you a copy of a circular by which I am apprising our folks in Chester County of George Thompson's coming.

I wrote to Mr Thompson the other day to say that if he would come from New York on Tuesday morning by the 9 o'clock line, which comes by way of Jersey City, I would meet him at Bristol & accompany him to Purves'. I presume he received my letter.

Yours truly
Wm. Stearns
